**D Harding Mini Mix Concrete  
Ready Mix Concrete Lorry Driver – HGV Class 2  
Concrete Pump Operator – LGV**

**Full time permanent contract  
40 Hours per week plus overtime**

D Harding Mini Mix Concrete is a small family company which has operated in and around Hemel Hempstead for over 40 years. We deliver small loads of concrete on 18.5t mixer lorries up to around a 10 mile radius of Hemel Hempstead. We also have a small line pump which pumps the concrete to hard to reach jobs.

We are looking for a full-time, experience HGV Class 2 driver to drive and operate both vehicles. Mixer experience or construction experience is preferred. Whilst we prefer a Class 2 driver it may be possible to consider a candidate to drive the pump who has LGV experience.

The successful candidate will be expected to work 40/hr per week and be available for overtime Monday to Friday and every other Saturday morning.

#### **Tasks and duties**

- Carry our routine vehicle checks
- Make sure load is correctly loaded and placed
- Driving and operating both mixers and pump vehicles
- Working within the driving hour regulation and taking appropriate breaks

#### **Required**

- Have driven light good vehicles
- Be reliable, punctual and self motivated
- Have a friendly, enthusiastic attitude and strong work ethic
- Be able to work in a team
- Put the customer first

**V.A.T. Reg No. 285 1600 63  
Partners: S. E. O’Riordan, & B. T. Roberts  
[www.hardingsconcrete.com](http://www.hardingsconcrete.com)**
